Ventech Solutions Inc receives the 2007 Ohio TopCat Award for  
Technology Innovation and Leadership

Columbus, Ohio - January 18,2008: Tech Columbus announced its Ohio TopCat award 2007 winners for their Technology Innovation and Leadership during its 11<sup>th</sup> annual dinner event held on January 17<sup>th</sup> at Greater Columbus Convention Center, Columbus, Ohio. The Central Ohio tech community showed up in force to celebrate the 2007 TopCat Innovation Awards presented by TechColumbus. Over 900 attendees from various business and technology companies were on hand for the celebration of the achievements and strength of the region's global knowledge economy.

Ventech solutions Inc, A CMMI Maturity Level 5 Software company bagged this prestigious award under the Minority Business Enterprise category. Sharing the spirit and passion for innovation and leadership, Mr. Ravi Kunduru, Founder and CEO said, *"I am extremely overwhelmed with the gift from the community this evening, recognizing our innovation and leadership in the technology community. We will work harder than ever to make such recognition for Ventech and to the central Ohio technology community an obvious thing as soon as they know of us in the world. **We'll be here for years to come as we help realize a dream of making our community as the Silicon Valley of the Midwest.**"*
